1. Work with each other to make sure no one oversleeps.
2. **OUTSIDERS ARE NOT INVITED TO OUR FUNCTIONS IN THE HOTEL**
3. In the hotel, never congregate in the halls or in other areas that might disturb other guests. Keep your door shut and be respectful of other guests with regard to noise. Be intelligent about how many people are in each room. Do not slam doors shut when entering or exiting the room. The source of most complaints come from other guests who want to sleep. Stay off floors not assigned to us. Again, be respectful of other guests..
